Good Afternoon,

Just a brief note from me this week as much of the key information has already been sent. I hope that you have found the information helpful and you are well informed regarding our procedures and safety measures. Please read through the guidance and as a reminder we would like children to watch our safety video—<https://youtu.be/VPIK9hlhpdQ>. As with anything, if you need clarification on any matter please do not hesitate to call or [email](#) into the school office.

The school gates open on Monday at 8:40 a.m. for our Year 3 & 4 children. The older Year 5 & 6 children will be allowed to go through at 8:50 a.m. Collection times will stagger again from 3pm. All drop off and pick up times have been shared on other literature, and will be posted on the perimeter fence for your reference. A reminder that EBASC will also be running from Monday 8th and your booking should be through the usual channels, either text on 07563785331 or alternatively [email](#) or call your booking through to the office.

Thank you to all those who have forwarded on the re-introduction form giving teachers a clearer picture into how the latest lockdown has impacted your child and wider family. We will still be accepting the forms in next week for those who need to share details.

Finally, can I offer my heartfelt thanks to you all for your support, kindness and resilience whilst working so closely with the school through such a difficult time. We are delighted that we are able to move forward from our remote schooling and we are all approaching this new term with great excitement. There is much hard work ahead of us as we continue to open up, but it offers us great encouragement in doing so, knowing that we have the full support of our school community.

Enjoy the weekend and see you all Monday morning!!
