As ever, do not hesitate to contact me if you have any concerns about any aspect of school life.

Mr Beattie

Good afternoon, as we approach the long bank holiday weekend I would like to speak to you about the children and their continued efforts in school. From our celebration assembly I have heard from all staff recounting how hard the children are working and the great progress they are making in their behaviour and school work. This is something reiterated by the parents I've spoken to since our virtual parent's evenings this week. Thank you for your feedback on how we've structured the parents evenings this week. We faced challenges with the school server this week meaning information was late in some cases but would just like to thank you for your understanding.

Further clubs and news of extra-curricular clubs starting up which is a great indication that some elements of school are returning to 'normal' Enjoy the long weekend and see you all on Tuesday morning.

Residential Update— Thank you to every who responded about the Year 6 residential. A deposit has been created on ParentMail and places will be secure once the deposit has been received. We have a few spaces remaining so if anyone else would like to go please email the office.
